Parents,

Please remember and remind your child that they have to keep their grades up. Failure to do so may result in suspension of sport participation. If my memory is correct, the suspension can carry over to next year.

Fun

Hello athletes, parents and coaches,

The Waukesha Catholic indoor meet was everything predicted. It was noisy, it was cramped, it was hot, it was confusing, but wasn't it a lot of fun? And, the food was great! Our HA All Grade Relay team missed 10th place by 1.7 seconds. Placement in the relay heats is determined by the team results from last year, so our second place time in a slower heat didn't hold up against the faster heats run after our heat.

As it has been in the past, we participated in an indoor meet and the weather outside was great. We can only hope the nice weather will continue as we move to the outdoor season next week.

We will continue to have special High Jump practices after school until the high schools decide to put the pits out when the weather gets better.
