PLEASE NOTE: If your child is in **2nd grade or above**, and will be preparing for First Reconciliation and First Eucharist, please make sure to register your child for this program as you are registering for Family Discipleship. They will be **included in Family Discipleship**. It is required that your child has one year of religious education before receiving these sacraments.

Catholic School families can register for First Reconciliation and First Eucharist without having to register for Family Discipleship. Please know that if you would like to register for Family Discipleship, you may do so, and it would be the same directions as above.

As you are answering some of the questions, you will notice that there is a blue highlighted line that states: [Apply this answer to all registrants](#). Please be sure to click on this after you answer the question. It will make it much quicker for you to answer the rest of the questions if you have more than one child.

Confirmation Candidates: Please make sure you select the correct registration type when registering for Confirmation Prep. There are two types:

1) Confirmation Prep **with ALPHA** . . . this registration is for those candidates that have not taken ALPHA and will be attending the Fall 2020 session. ALPHA Youth is a prerequisite for Confirmation (both Public and Catholic High School must attend).

2) Confirmation Prep – **Completed ALPHA**. Youth who attend a public school, and have completed ALPHA Youth in 9th grade must participate in High School Youth Discipleship in the Fall 2020. It is not necessary to register for High School Youth Discipleship. This will be included in your registration for Confirmation Prep – Completed ALPHA.
